### **Road Work Approved in Montclair Area**

The following items came before the San Bernardino County Board of Supervisors during their February 11<sup>th</sup> meeting:

- The Board unanimously approved a project to correct drainage problems at the intersection of Pipeline Avenue at Phillips Boulevard in the Montclair area. The intersection has experienced localized ponding and premature pavement deterioration.

“This project will enhance safety by keeping the intersection dry and preventing the pavement from experiencing undue damage,” said Supervisor Fred Aguiar.

- At the request of Supervisor Fred Aguiar the following individual were appointed to represent the Fourth District on county boards and commissions:
  - Janis M. Seiler of Chino Hills was appointed to the Senior Affairs Commission for a four-year term to expire on December 4, 2006.
  - Michael Calta of Chino was appointed to the Workforce Investment Board for a two-year term to expire on January 31, 2005.
